President's Message

We're starting a new year of League activities, and I think it's going to be an exciting one. Our new board of directors had a planning session this summer and came up with a calendar of meetings and events that fit in with the issues of emphasis we approved at the Annual Meeting in May. We hope you will find the calendar lineup interesting and educational.

We also look forward to a very exciting election this November. Not only will the ballot contain a lot of elected offices, it will also contain ten ballot measures. Our League has already received several requests to present the pros and cons of the ballot measures to several organizations. We are also reaching out to other organizations offering our voter education services. We could use more volunteers to help present this information. Please see the article in this newsletter calling for volunteers and consider helping out. It's a great way to learn the ballot measures in more detail and promote the League's mission of voter education.

One of my goals for our League this year is to collaborate with other organizations on educational projects. We have enjoyed a great relationship with the American Association of University Women (AAUW), whose mission of

Kathy Souza
President

education is very similar to ours. We are co-sponsoring a ballot measures presentation with the Roseville Chapter of AAUW on October 2 at Maidu Community Center (please see the article regarding our 2010-2011 calendar) and hope to work with the Auburn chapter on our forum on education in March. We plan to reach out to other organizations in our area as well to provide more voter service opportunities and education about the League as an organization.

This is shaping up to be a potentially visible year for the League, and we can use your help. As you read this edition of our newsletter, please consider some of the volunteer opportunities available to get involved. (We even need a newsletter director!) I'm looking forward to getting more volunteers involved to energize our organization and serve our community.

Introducing Our New Board of Directors

Our League has a new board of directors for 2010-2011. We have some returning board members, as well as some new ones, which is always exciting. Here is the list of members that will be serving the organization this year:

Kathy Souza, President

Candace Massey, First Vice President

Marie Seward, Second Vice President

Valerie Anderson, Treasurer

Norma Brink, Secretary

Mary Ellen Oliveira, Director

Patty Lomanto (Suzanne Woodhead, alternate),
Truckee Unit Chair

Pam Hart is serving as our Voter Service Chair in an off-board capacity.

The board has already been hard at work this summer, putting together an exciting calendar of events for the year. They are all looking forward to serving and working with you this year.

Volunteers Needed for November Election

The November election promises to be a very busy one. Not only will we be electing a new governor and other elected officials, there are ten measures on the ballot.

We need volunteers to help present ballot information to area organizations in public forums. The League of Women Voters has a very well-earned reputation of presenting ballot information in a concise, unbiased manner. Speakers will be provided training and detailed information about the ballot.

We also need volunteers to work at the two polling places that our League staffs each election (in Auburn and Roseville). This is the only source of fundraising for our League. We earn approximately \$1,400 each election when League members volunteer their time to provide this civic service. Volunteers also have a lot of fun in the process.

If you can help out as a speaker or a poll worker, please call me at (916) 791-5187 or email me at kathysouza2003@yahoo.com.

Help Wanted!!!

We have a few positions open for League-minded volunteers. Please consider joining our new board of directors in setting the stage for a positive year of education, activity and growth. Here is the list of volunteers needed:

- Membership Director
- Finance Director
- Newsletter Editor
- Unit Leaders (Auburn, Roseville and Lincoln)

If you are interested in joining the leadership team or can recommend someone, please call me at (916)791-5187 or email me at kathysouza2003@yahoo.com.
